

DANA ANNE YEE FOUNDATION

FOR THE PROTECTION OF OUR GREEN ENVIRONMENT TO KEEP HAWAII GREEN

Your generous donation will be used for:

The early detection of newly arrived immigrant species to Hawai'i: collecting, researching, and identifying species "early," before they become detrimental pests to our beautiful green Hawai'i.

The development of keiki learning gardens: teaching the keiki of Hawai'i to be helpers and future leaders in keeping our Hawai'i special. Our grass roots foundation will provide sustainable, native, edible, and learning gardens for the keiki in areas of the island that are in need.

Thank you for your generosity and kind support. Please complete and print this form.
